SNOWMOBILE TOUR

Let our local experts guide you through the arctic wilderness by snowmobile.

ITINERARY

You will set off on a tour through this magical frozen landscape, learning the skills needed to drive your machine in beautiful trails through various landscapes.

We will drive up to our mountain camp, here you will be served a hot drink and snack around a campfire. Here you will switch drivers with your partner.

There is many opportunities for photographs and also to see the amazing wildlife which resides here and there could be a chance to see the northern lights if the conditions are right.
